

# LegalTech Summer School

## 5-9 August

### Swansea University, Bay Campus

The Hillary Rodham Clinton School of Law, Swansea University, is pleased to announce the first LegalTech Summer School (LTSS), to be held from 5-9 August 2019 at the Computational Foundry on the Bay Campus, Swansea, UK.

The LTSS 2019 offers the opportunity to learn about the application of Artificial Intelligence concepts and technologies as they apply to law and legal services, which are driving dramatic change in LegalTech. The programme particularly suits legal professionals working in private sector law firms, public sector government offices, and third sector non-profit organisations. The courses and hands on sessions will be taught by lecturers from industry and academia. In addition, prominent invited speakers will address the current situation and future of LegalTech.

#### **Registration**

Places are limited, and early registration is strongly recommended to avoid disappointment. A registration ticket of 950 GBP includes: 5 days of tuition, lunches, and refreshments. The fee also includes a drinks reception and a Summer School dinner.
